

IAASE Retirees Available for Interim or Part-Time Positions

Prospective Employing Entities,

You will find below a listing of retired/retiring members of IAASE who have indicated that they have availability for consultative/contractual/employment part-time positions in the related fields of special education administration for the upcoming fiscal/school year. This listing is intended as a potential resource for school districts and other entities seeking individuals for short term, interim, or temporary positions. This listing is not to be considered an endorsement of the quality or capability of the individuals listed. Those considerations as well as any availability the individuals might have are subject to the understanding and arrangement established between the employing entity and the individual employed/contracted.
