

REGION 2

Administrator's Academy

Ogle County Special Education Cooperative
417 N. Colfax, Byron IL

Student Mental Health Issues in Special Education (AA #1902)

Presenters:

Teri E. Engler and Cynthia M. Baasten, Attorneys at Engler Callaway Baasten & Sraga, LLC, a law firm that focuses its practice on the representation of public school districts and special education joint agreements.

Description

This administrator academy is designed to provide participants with essential and updated information about federal and state special education laws, administrative and judicial rulings interpreting these laws and current OCR and ISBE compliance issues, as well as practical recommendations for planning proactively to avoid common legal mistakes that school districts make when making decisions concerning the identification, evaluation, programming, and discipline for students with suspected or known mental health issues.
